Accredited Product Certification Body

A2LA has accredited

ITL - International Testing Laboratories (CY) LTD

Limassol, Cyprus

This product certification body is accredited in accordance with the recognized International Standard ISO/IEC 17065:2012 *Requirements for bodies certifying products, processes and services*. This accreditation demonstrates technical competence for a defined scope and the operation of a management system.

Presented this day 1st day of April 2024.
