Foreign Material by Visual Inspection	TM 107
Method for Total Aerobic Microbial Count (TAMC), Bile-tolerant Gram-Negative Bacteria (BTGN), and Total Yeast/Mold Count (TYMC) by 3M Petrifilm in Cannabis Matrices	TM 121

Accredited Laboratory

A2LA has accredited

US CANNALYTICS LLC

Bethlehem, PA

for technical competence in the field of

Biological Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2017 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 31st day of January 2024.

A blue ink signature of Mr. Trace McInturff, written in a cursive style.

Mr. Trace McInturff, Vice President, Accreditation Services
For the Accreditation Council
Certificate Number 5470.06
Valid to February 28, 2026

For the tests to which this accreditation applies, please refer to the laboratory's Biological Scope of Accreditation.
