Accredited Laboratory

A2LA has accredited

CALIFORNIA SEED AND PLANT LAB, INC.

Pleasant Grove, CA

for technical competence in the field of

Biological Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2017 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 26th day of March 2024.

A blue ink signature of Trace McInturff, written in a cursive style.

Mr. Trace McInturff, Vice President, Accreditation Services
For the Accreditation Council
Certificate Number 4160.01
Valid to March 31, 2026

For the tests to which this accreditation applies, please refer to the laboratory's Biological Scope of Accreditation.
