Accredited Laboratory

A2LA has accredited

AEON TECHNOLOGIES, LLC

Baltimore, MD

for technical competence in the field of

Chemical Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2005 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 27th day of August 2018.

A handwritten signature in blue ink, positioned above a horizontal line.

Vice President, Accreditation Services
For the Accreditation Council
Certificate Number 4128.01
Valid to September 30, 2020
Revised on September 1, 2020

For the tests to which this accreditation applies, please refer to the laboratory's Chemical Scope of Accreditation.
